

# Programme Social Safety in Higher Education and Science

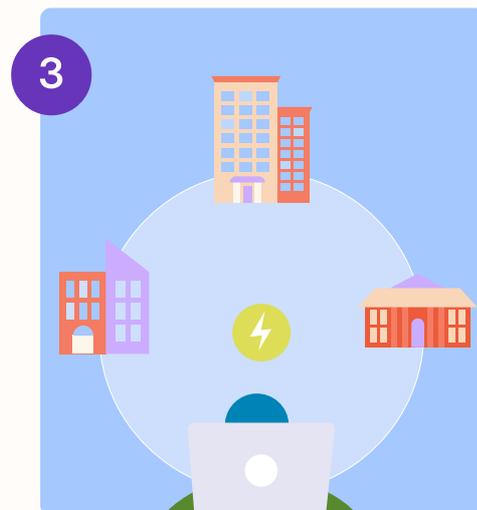

Together, we  
strengthen social safety  
in higher education and  
science.

1  
Do you have a great idea  
to improve social safety in higher  
education and science?

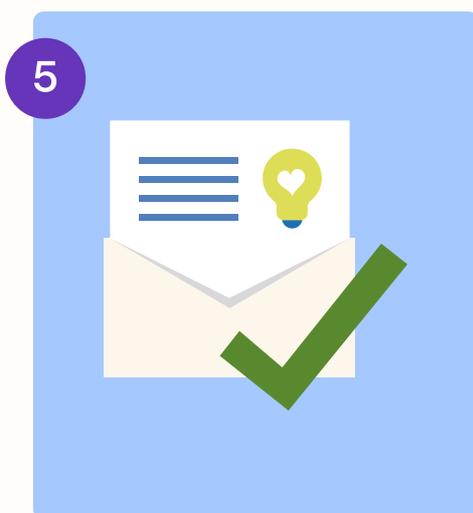

2  
Apply for subsidy! For students,  
PhD candidates, postdocs and  
staff at educational institutions  
and student organisations.

3  
You can also collaborate. Great  
ideas are created together!

4  
Visit  
[programmasocialeveiligheid.nl](https://programmasocialeveiligheid.nl)  
and submit your proposal.

5  
Is your plan approved?

6  
Then you'll receive the funding  
you need to get started!
